

Deluxe Systems to showcase Italian excellence at ARCHIDEX 2025

Rendering of the Deluxe Systems stand at ARCHIDEX 2025. The stand covers an area of 72 square metres and features a modern and appealing layout.

Deluxe Systems, the sole exhibitor at ARCHIDEX 2025 featuring exclusive, high-end Italian products for luxury residential projects in Southeast Asia, is set to unveil its latest innovations at the premier architecture event in Asia.

From July 21st to 24th, 2025, visitors can find Deluxe Systems at Stand 4J303 within MITEC, Kuala Lumpur, to experience the pinnacle of Italian design and technology.

At the forefront of their showcase will be the latest range of high-performance sliding windows and a curated selection of ultra-premium doors, meticulously engineered to meet the most stringent demands for both sustainability and privacy. These products boast advanced acoustic insulation for unparalleled soundproofing, eco-friendly materials aligning with a greener future, and elegant, innovative designs that seamlessly enhance any living space.

Deluxe Systems exclusively brings to the Southeast Asian market the excellence of Italian craftsmanship through renowned brands such as Apexfine, Ponzio, Faraone, Flessya, Chirenti, and Dimensione Serramenti. Their showcased collection

will span from sliding doors and pivot entrance doors to soundproof interior doors and illuminated railings, demonstrating the breadth and sophistication of Italian design solutions for luxury residences.

Attendees visiting the Deluxe Systems stand will have a unique opportunity to explore these cutting-edge solutions firsthand and engage with their team of experts.

The team will be available to offer in-depth insights into the technologies behind the products, the extensive customization options available, and Deluxe Systems' unwavering commitment to sustainable architectural practices.

"At ARCHIDEX, Deluxe Systems aims to find Malaysian partners and offer sample products. We're also looking to build relationships with architecture studios and contractors specializing in luxury residential projects," said Giuseppe Covino, Project Manager, Deluxe Systems Pte Ltd.

Don't miss the chance to discover the future of luxury living with Deluxe Systems at ARCHIDEX 2025 (Stand 4J303 | MITEC Kuala Lumpur | July 21-24, 2025).
