

Deluxe Systems shines bright at ARCHIDEX 2025 in Kuala Lumpur

Deluxe Systems recently concluded a highly successful participation at ARCHIDEX 2025 in Kuala Lumpur. The event proved to be an exceptional platform, attracting significant attention and positive feedback from a large number of visitors to the Deluxe Systems stand.

Throughout the exhibition, the Deluxe Systems booth buzzed with activity, welcoming a continuous stream of architects, designers, developers, and industry professionals.

Visitors widely praised the innovative Made in Italy products on display, consistently highlighting the exceptional quality and superb craftsmanship that define Deluxe Systems' offerings.

The overwhelmingly positive reception underscores the company's commitment to delivering excellence in every solution. Deluxe Systems also extends its sincere gratitude for the distinguished presence of the Presidential Committee of PAM (Malaysian Institute of Architects) at the ARCHIDEX inauguration.

Their visit, including a valuable stop at the Deluxe Systems stand, was a significant honour. Furthermore, Deluxe Systems is thankful for the invitation to the ASEAN Real Estate Conference 2025 gala evening, an excellent opportunity for further networking and collaboration within the sector.

"We are incredibly pleased with the turnout and the enthusiastic response we received at ARCHIDEX 2025," stated Germano Vitali. "The high level of engagement and the positive feedback on the quality of our products confirm that we are meeting the evolving needs of the industry. We are also deeply grateful for PAM's support and look forward to continued collaboration."

Deluxe Systems' presence at ARCHIDEX 2025 reinforced its position as a leading provider of high-quality, innovative solutions in the architectural and design sector.

The company aims to build on the connections made and the positive momentum generated at this year's event.
